

Day 1:
*Wow! I love my
new eyebrows!*

Day 2-3:
*Oh no! They
look too dark
and thick!*

Day 4-10:
*Now they are
scabbing,
flaking off, and
really itchy!*

Day 10-15:
*Ummm, Where did
my eyebrows go?!
I can barely see
them.*

Day 15-30:
*Oh good
they're back!
Just a little
patchy.*

**After touchup day
appointment:**
*They are perfect!
I love them!!*
